Saint Spyridon Family Center
Capital Campaign

Phase II—Family Center; Renovation and Reconstruction Naming Opportunities

Building our Family Center is an exciting endeavor for our community. In our lifetime, this may be the only time we get the opportunity to add our family name to a building that we were directly involved in building, like the Family Center. Wouldn't it be wonderful to honor a beloved family member who passed away like your Baba, Mama, Yiayia, Pappou. Or some of us would be honored to add our family name to one of the rooms so that we can look back proud knowing that our pledge helped build that room. The Family Center Committees are available to discuss naming right opportunities. Below is a list of some of the rooms that your donations can go towards building:

NOTE: These are only a few of the areas listed. More may be discussed in a private meeting. These may be modified at anytime. All existing room names will be recommemorated.

Education Pavilion

Title Name—Dr. Mary Lekas	\$250,000
First Level Title Name	\$150,000
Second Level Title Name	\$150,000
